

Investing for Success

Under this agreement for 2017
Wolvi State School will receive

\$14,600

This funding will be used to

- Support Reading e.g. DRR; Reading Link; Teacher aide support; Teacher planning; Resource purchases.
- Build teacher capacity to recognise and remediate key misconceptions through NCR Diagnostics (Ed Studios)
- Enhance teacher knowledge of Australian Curriculum Mathematics through deepening knowledge of Achievement Standards and Curriculum Intent.
- Support teacher deep understanding of the Australian curriculum to adopt and adapt the C2C materials to suit the school context.

Our initiatives include

- Purchasing additional teacher aide time to allow small group work within our English Block. Allowing students to work at level, targeting fundamentals of reading – phonics, decoding, comprehension.
- Targeting students for support through Rapid Reading & Spalding programs.
- Targeting higher performing students for individual work to lift to U2B level
- Professional Development (PD) time for Teachers to work on Whole School Maths program and develop understanding around the maths curriculum.

Our school will improve student outcomes by

Supporting students to meet school targets in A-E assessments and Naplan U2B.

Investing for Success

Students will be monitored twice a term to cater for adjustments in ability and understandings.

Teachers participating in Numeracy/Mathematics PD are expected to show through their planning, working with students and professional discussions a deeper understanding of curriculum expectations and A –E expectations. This then is expected to show in student numeracy levels and understandings.

Investing for success funding will be split in the following way to achieve our initiatives and enhance our ability to achieve our targets.

- | | |
|--|----------|
| • Additional teacher aide time - 10hr per week to allow small group work and Rapid Reading support | \$12,905 |
| • Teacher PD time - Develop whole school Mathematics program and deepen understanding of Australian Curriculum as well as mathematical misconceptions. | \$1,680 |
