Principal's Message

Dear Families,

It has been wonderful to see the energy and effort from our students and staff as we move towards the end of term. Everyone is working hard and beginning to prepare for upcoming assessment tasks, showing great persistence and determination. Our circus performance practice is also in full swing, and the excitement is building as students rehearse their acts and work together to create something special to share with our community.

We know that sickness has been making its way through families in recent weeks, and we truly appreciate your support in helping to keep illness away from school, wherever possible. Together, we can make sure everyone stays as healthy as they can during this busy time.

As we head into the final weeks of the term, we are looking forward to celebrating the wonderful learning journey our students have been on and can't wait to share their achievements with you.

Staff changes- While we interview to replace Mrs Johnson, Miss Glenn is teaching the P-2 class most of the week. On some days we will have a relief teacher in to take the class. We are very fortunate to have amazing relief staff available to us. We will have a new Thurs/Fri teacher for the start of Term 4.

I am on Long Service leave from Fri 12th Sept (last week of Term) and returning Monday of Week 3 Term 4. Mrs Greta Worner is acting Principal during my absence. Mrs Worner will be visiting our school on Thursday 11th Sept and then taking her position from the 12th. We welcome her to our school and look forward to sharing all the great things we do here -every day!

Until next time, Miss Glenn

AIP Focus Area

As part of our Annual Implementation Plan (AIP), we are focusing on:

 **All students will achieve at least one years growth in English and Mathematics- v9 of the Australian**

Curriculum. We appreciate your support in reinforcing these goals at home.

Curriculum Updates

Curriculum programs are now moving into their final stages, with students drafting, refining, and completing assessment tasks across most learning areas over the coming four weeks. This important phase of the term allows students to demonstrate their knowledge, skills, and growth, while also giving teachers valuable insights to guide future teaching and learning.

This Term's Focus Area:

Reading Focus

A simple but powerful goal for every family at home is to make time for daily reading, no matter the level of the child, as this continues to build confidence, fluency, and a love of learning.

Student Council Updates

Recent Activity: Students will continue to sell icy poles and ice-creams each Friday at 3pm

Next Project: POPCORN- we are now selling popcorn each Friday afternoon for 50c a cup. Pre orders are essential so keep an eye out for an order form this week. Orders are due to the Yr 6's by 3pm Thursday afternoon.

Student Voice: Lawn Bowls was the best!

P&C Association News

Next Meeting: CHANGE OF DATE- **Now this Friday 29th Aug at 3pm** in the library. We're inviting all parents to attend our **next P&C meeting**. Whether you're a regular or it's your first time, your ideas, energy, and input are always welcome. Even a small contribution of your time can make a big difference for our students. Have an idea, want to have input into the schools way or working- then come along!

Topics: Fundraising, early and late school arrival procedures review, uniform policy review, school book list funding proposal for 2026. Plus possible Halloween disco and the next Bunnings sausage sizzle fundraiser.

Join Us: New members welcome! Contact wolvipandc@gmail.com

Book week

Thank you for supporting Book Week. We loved the costumes. The excitement of sharing our favourite stories was wonderful.

Student Highlights

 Tavia- for exceptional work and progress in Digital Technologies.

 P-6- well done on the Circus practice sessions.
